Kerala roots, club-focused sound

UK-based

JuLix is a UK-based DJ, producer, drummer and content creator bringing a distinctive South Indian identity to electronic music.

The sound

Her sets blend Techno, House and EDM with the rhythms, melodies and energy of her Kerala roots, creating a sound that is both club-focused and culturally unique.

On stage

From clubs across the UK and Ireland to destinations, resorts and cafés, she brings an energetic, immersive approach to every performance.

The JuLix sound

TECHNO

EDM

HOUSE

COMMERCIAL

DESI BASS

Techno × ethnic sounds

Dark, driving electronic grooves fused with South Indian musical textures.

House × Malayalam

Groove-heavy House featuring Malayalam sounds, vocals and cultural elements.

EDM × South Indian

High-energy electronic moments designed for festival and club environments.

Mashups × live energy

Unexpected transitions and genre-crossing selections that keep the dancefloor moving.

The JuLix journey

01 Drummer

Started on drums at 12, building her foundation in rhythm and live music.

02 DJ

Performs at clubs, destinations, resorts and cafés across the UK and Ireland.

03 Producer

Half of the duo JulixAndMx with producer MX, with releases on major streaming platforms.

04 Creator

DJ sets, mixes, mashups and behind-the-scenes content across social media and YouTube.

Recognition and reach

AWARD · 2026

CS Global Malayali Awards

Her first award, recognising her DJing and her involvement in the Malayali community.
